## INFINITT Healthcare participates in IHE Europe Connectathon

For its 10th anniversary, the European IHE Connectathon returned to France -- where it all began in 2001 -- at the Bordeaux Cité Mondiale Convention Center, April 12-16.

The annual IHE Connectathon tests healthcare IT systems to promote compliance with accepted standards, connectivity with electronic health record (EHR) systems and interoperable exchange of patient data. IHE Connectathon is held every...

## INFINITT Healthcare contracts with Lotung Poh-Ai Hospital

INFINITT Healthcare recently contracted with Lotung Poh-Ai Hospital in Taiwan for Radiology PACS migration and INFINITT CIS installation. Lotung Poh-Ai Hospital originated as a 30-bed small-scale general hospital in 1953 and has transformed into an excellent regional teaching hospital that consists of 36 medical specialties, 1,100 beds and more than 1,500 employees. It is known as Yilan County's community-focused acute and intensive care and tertiary medical referral center.

Lotung Poh-Ai Hospital chose INFINITT Healthcare...

## INFINITT Customer selected for Massachusetts EHR Pilot Program

Anna Jaques Hospital (AJH) is a 123-bed community hospital located in Newburyport, Massachusetts -- a New England port city settled in 1635.

AJH offers medical, surgical, obstetrical, psychiatric and sub-acute services, and is the area's only acute care facility. It is a Level III Trauma Center, a state certified Primary Stroke Service, a nationally recognized wound healing center, and a long-time INFINITT North America customer. The hospital recently entered into a clinical affiliation with Beth Israel Deaconess Medical Center, a teaching affiliate of Harvard Medical Center...
